CERTIFICATE

This document certifies that Pavlo Shydlovskiy, Associate Professor of the Department of Archaeology and Museum Studies, Taras Shevchenko National University of Kyiv, has fully completed the program of scientific and educational internship within the *NOMADE* team of the UMR 7194 HNHP Research Unit (Human and Environment Department), National Museum of Natural History (Paris, France).

During the internship, Pavlo Shydlovskiy got acquainted with zooarchaeological, traceological and restoration methods of processing collections, processed archaeological materials from the funds of a number of museums and research institutions in France and took a direct part in the study of prehistoric sites in Dordogne.

As a result of the internship, Pavlo Shydlovskiy was invited to continue his cooperation with the UMR 7194 HNHP Research Unit (*NOMADE* team), Human and Environment Department, National Museum of Natural History, as an associate researcher.
